Professional Summary:

- Currently Working with the Government of M.P. on National Tobacco Control Program
- Active since more than 60 years, & is one of the senior-most Tobacco Control Scientists/Doctors of India/Asia.
- The Only Government Medical Doctor of M.P. (India) who has been active right from grass roots (villages), to international level on Tobacco/cancer control.
- I am working with the MP State and the Central Governments since 2007 when National Tobacco control Program was launched as a follow up of FCTC (International treaty on tobacco Control and the WHO)
- Under the same tobacco control initiative in Asia, I was deputed to a 6 weeks training program at John Hopkins Bloomberg International School of Tobacco Control, Baltimore (USA)
- I was active in tobacco control since 1964 as a STUDENT member of Indian Dental Association.
- One of the rare clinicians who have pioneered to make media (print, electronic & others) an effective partner in tobacco control. Has huge number of popular articles T.V., Interviews (including C.N.B.C.) to his credit on prevention of oral/cancer/pre-cancer in India in Hindi & English languages in the region.
- Globally well known for designing and running innovative yet inexpensive campaigns based on life style, culture, and religion.
- My unique approaches to tobacco control campaigns are quoted in international manuals prescribed for field tobacco control workers (Path Canada).
- I have been a key resource person to several important workshops and seminars organized by W.H.O. government/MPVHA/Indian Dental Association and Dental Council of India in India and abroad.
- Several publications in reputed national journals.
- Chaired numerous scientific sessions of Indian Dental Association and Maxillofacial Surgery Conferences.
- Served in the capacity of Assistant Professor to the Principal at Government College of Dentistry, Indore, M.P. – 1969 – 2010 (till retirement)
- Retired as Principal, Government College of Dentistry, Indore in 2010.
- Served as State Nodal Officer for National Tobacco Control Program Government of India and the WHO - 2007
- Member of Executive Committee of Devi Ahalya University. Indore MP - 2005
- I Have been Post Graduate Teacher and Examiner at GDC Indore DAVV., Nagpur, KGMC Lucknow, Ahmedabad, Mumbai, Jaipur, Mauritius, etc.
- I Have acted as an **Expert Member** in Selection/DPC Committees of Public Service Commission of Madhya Pradesh, Uttar Pradesh, Chhattisgarh, and the Banaras Hindu University, Varanasi
- Has Inspected many Dental colleges as Dental Council of India Inspector.
- **Ex-National Vice President**, Association of Oral and Maxillofacial Surgeons of India. H.O.E year 2000
- **Organising Chairman** 15th AOMSI Conference at Indore in 2000. This conference heralded the era of live demonstration of Surgery on CCTV by Experts from India and abroad in collaboration with sister specialities like the Plastic Surgery.

Activities & Achievements:

- Nominated as a member of Dental Council of India by the ministry of health, Govt. Of India. **(in the year 2019)**, & conducted various activities in the form of lectures to various dental colleges of India over the subject of ragging control for the freshers.

- Was specially invited to various colleges across the country to deliver orientation lectures on tobacco control & anti ragging measures, these colleges are –
